

## DELIVERY/PICKUP SERVICES

Outdoor Recreation will not deliver outside of Fort Irwin or into the training area.

It is recommended that the customer be present for delivery and pickup for inspection. Customers will sign a waiver stating that if they are not present for delivery or pickup, they will still be responsible for damages not seen at time of delivery or noticed by ODR staff at time of pickup.

Fees for delivery and pickup are a standard flat fee and will not be separated because the customer wants the item delivered but not picked up or vice versa.

Equipment must be cleaned prior to pick up unless the customer elects to pay the \$25 cleaning fee described in the ODR Equipment Issue Form.
