

- Home Based Businesses (HBBs) are Non federal Entities that authorized residents own or operate to offer sales or services from within their residence on an Army installation.
 - Persons who reside in family housing on an Army installation and work remotely out of their residence (such as a consultant, freelance artist, or teleworker) or who operate their own business exclusively through online means (for example, eBay and Etsy) are not considered HBBs and do not require approval to operate.
 - The HBB owner is responsible for any damages to third parties arising from the conduct of the business.
- Personnel desiring to provide childcare in on-post housing must register with the installation Child, Youth, and School Services office as part of the Family Child Care (FCC) provider system.

- The Directorate of Family and Morale, Welfare and Recreation (DFMWR) is designated as the single point of entry for HBB applications.
 - The HBB owner remains responsible for completing the application process, obtaining the necessary permissions, licenses (if applicable), and liability insurance.
 - HBB owners residing in privatized on-post housing must obtain approval to operate in writing from the community manager before submitting a request.
 - The HBB owner is required to comply with and is subject to inspection by the appropriate city, county, State, or Federal agency, office, or department for compliance with applicable laws, codes, regulations, and requirements.
 - The sales or services generated by an HBB generally do not compete with an installation's officially sanctioned commerce. When they appear to compete, the installation will consider HBBs a "supplement" to military exchanges and morale, welfare, and recreation programs or resale activities.

HOME BASED BUSINESS REVIEW AND APPROVAL PROCESS

HBBs are processed as consistently and expeditiously as possible. Regulatory time allocation is less than 60 calendar days. Currently processing within 2 weeks from receipt.

- Fort Irwin currently has 100 HBBs
- Application Packet consists of:
 - Application
 - Copy of Insurance (if applicable)
 - Food Handler's Certificate (if applicable)
 - Results of Home Inspection (if applicable)
- A list of approved HBBs, process map and other information can be found on the DFMWR Website
